Floating holidays must be selected on HRConnect by 31 January and cannot be carried forward.

The probation period is 6 months from the date of joining. During probation employees accrue leave, but the following limits apply:

- Casual Leave and Sick Leave can be used, with a maximum of 1 day per month.
- Earned Leave cannot be taken until the employee is confirmed. Accrued EL is credited to the balance on confirmation.
- Maternity, paternity, and bereavement leave are available only as stated in section 4.

## 6. How to Apply for Leave

- Submit every leave request on the HRConnect portal under Leave > New Request.
- Leave of 2 days or fewer: apply at least 1 working day in advance.
- Leave of 3 to 5 days: apply at least 3 working days in advance.
- Leave of more than 5 consecutive days: apply at least 14 days in advance.
- Managers must approve or reject within 2 working days. A request not actioned within 2 working days is escalated to the department head.
- Emergency or sick leave: inform your manager by phone or Slack before 10:00 AM IST on the first day of absence, and submit the request on HRConnect within 2 working days of returning.

The sandwich rule does not apply at Nimbus Labs: weekends and public holidays that fall between two leave days are not counted as leave.

## 7. Leave During Notice Period

Earned Leave cannot be used to shorten the notice period. During the notice period only Sick Leave with a medical certificate and statutory leave are allowed. Unused EL is encashed at exit as described in section 2.
