Part A. Employee FAQ

Q1. How many leave days do I get each year?

Confirmed employees get 26 paid days: 8 Casual Leave, 6 Sick Leave, and 12 Earned Leave. There are also 12 public holidays and 2 floating holidays.

Q2. Can I carry forward unused leave?

Only Earned Leave carries forward, up to a maximum balance of 30 days. Casual Leave and Sick Leave lapse on 31 December.

Q3. Which days do I need to work from the office?

Tuesday, Wednesday, and Thursday, and at least 12 office days a month. Mondays and Fridays are remote days.

Q4. Can I work from another country?

Up to 10 working days a year outside India, with approval from your manager, the Head of People, and IT Security, requested at least 15 days in advance.

Q5. How long does it take to get my expenses reimbursed?

Submit within 30 days on ExpenseFlow. Once finally approved, payment is made within 10 business days.

Q6. Who approves a claim of INR 12,000?

The department head, because claims between INR 5,001 and INR 25,000 need department head approval.

Q7. What should I do if my laptop is stolen?

Report it to security@nimbuslabs.example within 2 hours of discovering the loss.

Q8. What is the notice period?

30 days during probation and 60 days after confirmation. Directors and above have a 90 day notice period.

Q9. When do salary increments take effect?

Performance reviews happen in April and increments take effect from 1 July.

Q10. Can I use ChatGPT or other public AI tools for work?

Only company-approved AI assistants are allowed. Never paste Confidential or Restricted data into public AI tools.

Part B. Customer FAQ (NimbusDesk)

Q11. How much does NimbusDesk cost?

Starter is INR 799 per agent per month, Growth is INR 1,899 per agent per month, and Enterprise is a custom quote. Annual billing gives 20 percent off, and prices exclude 18 percent GST.

Q12. Is there a free trial?

Yes. All plans have a 14-day free trial and no credit card is required.

Q13. Does the Starter plan support WhatsApp?

No. WhatsApp is available on the Growth and Enterprise plans. Starter supports email and the web widget.

Q14. What is the API rate limit?

100 requests per minute on Starter, 500 on Growth, and 2,000 on Enterprise. Exceeding the limit returns HTTP 429 with a Retry-After header.

Q15. Where is my data stored?

In AWS Mumbai by default. Enterprise customers can choose Frankfurt or Singapore.

Q16. How long is ticket data kept?

24 months on Starter, 5 years on Growth, and a configurable period on Enterprise.

Q17. Why is my chat widget not appearing on my website?

Your domain is probably missing from the allowlist. Add it under Settings > Channels > Web Widget > Allowed domains.

Q18. What uptime does NimbusDesk guarantee?

99.9 percent on Growth and 99.95 percent on Enterprise. The Starter plan has no uptime SLA.

Q19. Can I export my data?

Yes. Use Settings > Data Export to download CSV or JSON. Deleted accounts are purged after 30 days.

Q20. How do I contact support?

Starter: email with a 2 business day response. Growth: email and chat within 8 hours. Enterprise: 24x7 phone support and a dedicated manager.
